

CustomDisplay

```
graph BT; amioption --|> CustomDisplay
```

A UML class diagram illustrating a generalization relationship. At the bottom is a class box labeled 'amioption' with a light gray fill and a dark border. A solid blue arrow points vertically upwards from the top center of the 'amioption' box to the bottom center of a class box labeled 'CustomDisplay' at the top. The 'CustomDisplay' box has a white fill and a light gray border. The arrow represents inheritance or generalization.
