

nquad

```
graph LR; nquad[nquad] --> amici[amici::AmiVector::getLength]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is gray with a black border and contains the text 'nquad'. The right box is white with a black border and contains the text 'amici::AmiVector::getLength'. A blue arrow points from the right side of the gray box to the left side of the white box.

amici::AmiVector::getLength
