

initHeaviside

```
graph LR; A[initHeaviside] --> B[amici::AbstractModel::froot]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'initHeaviside'. The right box is white and contains the text 'amici::AbstractModel' on the top line and '::froot' on the bottom line. A blue arrow points from the right side of the gray box to the left side of the white box.

amici::AbstractModel  
::froot
